Commissioner for Patents

The reply filed on August 11, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not elect a single species from each of the sets of species presented in the Election/Restriction requirement. Applicant rewrote the species election, however, only one species has to be elected from each set, not all of them. Therefore, one species has to be elected from species A-AO, one species from species AP-AY, one species from species AZ-BB, and one species from species BC-BE. Therefore, a total of four species need to be selected for examination. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
